Dear Colleagues

I write to invite you to renew your membership or to become a new member of the Australian and New Zealand Association for Research in Music Education (ANZARME). The association strives to maintain collegial networks between researchers in music education and to contribute to music education research in Australia and New Zealand. This year our conference will be held immediately following the ASME National Conference at the Gold Coast, Queensland. The ANZARME Conference will be held at the Crowne Plaza Hotel, 6-8 July, 2011.

ANZARME has continued to support and encourage the work of student researchers through the prizes offered at the annual conference for the best original presentations. This will again occur at the national conference. I hope members will note the dates, both for themselves and for their research students. At the ANZARME Conference in 2011 we will launch the new scholarly refereed journal that will replace the annual proceedings. Back copies of the proceedings remain available (contact the Publicity Officer – Dr Jane Southcott) and many papers are now available via the Informit database. By moving to an internationally recognised journal we will provide another forum for research in music education, particularly in Australia and New Zealand. The journal will, of course, welcome submissions by international researchers. 2011 will also see the launch of the new ANZARME professional website. Members will be advised when the new website is operational.

Could you please complete the details on the enclosed Membership Application/Renewal Form and return it, together with your cheque for \$40 (or \$20 for full-time students) at your earliest convenience, to the Treasurer, Dr Jill Ferris (address as above).

Please note that ANZARME is not GST registered and therefore no GST has been added to your annual membership subscription. Please feel free to distribute copies of this letter and the membership application form to colleagues and postgraduate students.

I hope to see you at the Conference in July.

Yours sincerely,

Dr Jane Southcott
ANZARME President

16 December, 2010.
